

Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College has a well-defined policy and system in place for the maintenance and utilization of all its physical and academic facilities.

Classroom management:

Classroom being the most primary and important work space; it is managed with proper systems and procedures as recommended by the Management and the University. It is followed keeping in mind the modern teaching learning environment. The classrooms are well equipped with all modern technology like the smart boards, mike systems, and other technologies for better and effective teaching. CCTVs installed in each classroom to make sure of the safety and the security of all students, teachers and equipment.

Stock list of assets of Class room property, cleaning and maintenance are done on a regular basis, Annual Maintenance Contract (AMC) of all the modern teaching technology, proper reporting system about repairs and replacements are the basic attributes of classroom management. This also includes the asset management that forms the core in the working of the college.

Laboratory

As the College has Arts, Commerce and Science departments, the Laboratory policy forms the core in the working of the institution. While the Laboratory has several instruments and equipment, the same is maintained through AMCs.

1. Locations of laboratory safety showers and fire extinguishers help to assure protective measures to minimize the casualties.
2. General Instructions to students regarding the safe and secure usage while in the laboratory are displayed in each lab.

Library

Library has a 'Library Advisory Committee' which consists of heads of the department and senior faculty members. The committee meets once in a year, and discusses budgetary provision for the purchase of new books as per the list suggested by the faculty members handling different subjects and also student feedback. Library committee also takes decisions about monitoring library equipment, Verification, writing-off and purchase of books.

Sports

Sports committee looks after maintaining the sports ground and sports equipment. Committee organizes various indoor and outdoor sports competitions for students at intra and intercollegiate level. For holistic development, students are encouraged to participate in the competitions. Sports officer for events where there is good student representation are appointed with the permission of the management and the Principal. The celebration of the International Yoga Day has become a regular affair and many students and staffs participate in the same.

While the IQAC defines policies related to workshops/seminars/conferences for students and staff across faculties, the website acquaints the users with the working system of the college and also invites suggestions on better working processes.

Computers

Maintenance of computers (Hardware and Software), updating software related to administrative and overall maintenance of campus infrastructure. Annual maintenance contracts for computers, copier machines, software, CCTV, Fire extinguisher, garden, security are in place. Policy is developed to maintain a balanced student and computer ratio, so that all students will be benefited for academic purposes.

Institution follows all safety and security norms as required for an educational institution and makes optimal use of all security mechanisms. Safety of girls is specially handled and appropriate measures are taken to make the campus safe for students.
